

# LAFOUASSE VINCENT

Budding Audio Software Engineer

## Email

vincentlafouasse@live.fr

## Mobile

+33 6 46 02 69 12

## Linkedin

@vincent-lafouasse

## Github

@vincent-lafouasse

## Langue

French, English (C2)

## SKILLS

C, C++, Linux

$h[n]$  Maths, Physics

Music production

## INTERESTS

Guitar, Bass, Trumpet  
Jazz harmony  
UK electronic music  
Breadmaking

## EDUCATION

**42 @42 Paris**

A unique take on Software Engineering  
2023 -Now

**MSc MOCHI @École Polytechnique**

Molecular chemistry at the highest level  
2020 - 2022

**BSc SdM @École Normale Supérieure de Lyon**

Élève normalien, Physics and Chemistry  
2015 - 2017

**PCSI/PC\* @Lycée Henri IV**

Strong undergrad in Maths, Physics and Chem  
2013 - 2015

## PROJECTS

### PossGain

A clone of Ableton's Utility built-in using Juce 8 and C++17

### Hera

A 6-voice wavetable synthesiser

### IntervalTrainer

An ear trainer in Rust featuring a rudimentary synth

## CERTIFICATIONS

**Digital Signal Processing @EPFL @coursera**

DSP Specialization 1/4

4 months on DFT and DTFT, LTI filtering,  
interpolation/sampling, multirate processing, etc  
nov 2023

**C++ Programming Essentials @IBM @edx**

Professional Certificate Program 3/3

5 month on OOP, templates, data structures and algorithms  
nov 2023

**BULATS** - English C2
